

Hydrogen Technologies Permitting Workshop

Monday, October 15, 1-5 pm ■ San Antonio, TX
In conjunction with the 2007
Fuel Cell Seminar
Sponsored by the US. Department of Energy

The workshop will bring together project developers, managers, technical personnel, and other stakeholders to:

1. Understand what permitting officials expect from us
2. Share permitting experiences
3. Discuss lessons learned
4. Discuss the critical issues
5. Identify what is needed to facilitate efficient, timely permitting of projects
6. Build on the Federal effort to work with permitting officials to aid permitting of hydrogen and fuel cell technologies and applications
