IEC TC105 Fuel Cell Technologies - Status Report

Comments due to USTAG by:

January 5, 2007

- **CD Stationary Fuel Cells – Installation**
- **CDV Micro Fuel Cells – Performance**

January 12, 2007

- **FDIS Portable Fuel Cells**
- **CD Micro Fuel Cell – Interchangeability**

February 2, 2007

- **Modify TC105 scope to specifically mention Micro Fuel Cells**

Calendar

- | | |
|------------------------------------|--|
| January 10 | Roundtable on Global Harmonization of Regulations; Codes & Standards for Gaseous Fuels & Vehicles
Geneva, Switzerland |
| January 16-17 | SAE Fuel Cell Standards
Interface & Safety Working Groups |
| January 17 | Performance Working Group |
| January 18 | Committee Meeting
Troy, MI |
| January 30 -
February 3 | IEEE P1547.2, P1547.4 & P1547.6
Interconnect Standards
Atlanta, GA |
| February 1 | DOE Workshop
Permitting/Approval of H2 Fueling Stations
Sacramento, CA |
