

Hydrogen and Fuel Cell Vehicles in Your Neighborhood

A Southern California Community Workshop

Proceedings September 16, 2004

Location: Auditorium Lobby and Cafeteria

8:30-9:00AM Check-In and Continental Breakfast

Location: Auditorium

9:00-9:40AM Welcome and Overviews

9:00 Welcome

[Catherine Dunwoody](#), CaFCP

9:10 National overview

[Patrick Serfass](#), NHA

9:20 State overview

[Shannon Baxter-Clemmons](#), ARB

9:30 Regional overview

[Gary Dixon](#), SCAQMD

9:45-11:30AM Hydrogen and Fuel Cells Overview

(with break)

Moderator

Adam Gromis, CaFCP

Presenter 1

Ballard Power Systems

Presenter 2

[Dan Rabun](#), Air Products

Presenter 3

Dan Najera, State Fire Marshal

Presenter 4

Todd Suckow, Ford

Questions and Answers

Location: Hydrogen refueling station in lower parking lot

11:30-12:30 Exclusive Ride and Drive Opportunity and Hydrogen Station Tour

12:30 Road Rally III send-off

Location: Cafeteria

12:30-1:30 Lunch

1:30-5:00 Concurrent Technical Sessions

Concurrent I: Permitting Hydrogen Installations

Location: Room CC6

1:30 Industry experiences with Installing Hydrogen Stations

Moderator

[Adam Gromis](#), CaFCP resources

Panelist 1

[Dan Rabun](#), Air Products

Panelist 2

Brad Smith, Shell Hydrogen

Panelist 3

[Jonathan Weinert](#), ITS-UC Davis

Question and Answers

2:45 Break

3:00 – 3:15 DOE/ANSI Rollout

[Russ Hewett](#) (NREL)

Opening and Project Overview

3:15 – 3:45	Demonstration of ANSI Hydrogen Codes and Standards Portal	Bob Feghali (ANSI)
3:45 – 4:00	NFPA Hydrogen-Related Codes and Standards	Carl Rivkin (NFPA)
4:00 – 4:15	ASME Hydrogen-Related Standards	John Koehr (ASME)
4:15 – 4:30	CSA-America Hydrogen-Related Standards	Todd Strothers (CSA-International)
4:30 – 4:45	ICC Hydrogen-Related Codes	Carl Marbery , ICC
4:45 – 5:00	Critique of the Portal/ Q&A/Next steps	Russ Hewett (NREL) and Bob Feghali (ANSI)
5:00	End	

Concurrent II: Emergency Response Training		
<i>Location: Room CC2</i>		
1:30	Welcome, overview, CaFCP ER Guides	Todd Suckow, Ford
1:45	Hydrogen properties, handling and safety for first responders Panelist 1 Panelist 2 Question and Answers	Aaron Rachlin , Praxair Kevin Scott, Kern County FD
2:45	Break	
3:00	Light duty vehicles, buses and stations Moderator Panelist 1: Light Duty Panelist 2: Bus Panelist 3: Stations Question and Answers	Monterey Gardiner, CaFCP CaFCP Safety Team Lead Todd Suckow , Ford Dan Najera, State Fire Marshal Dave Barnes, Air Products
4:00	Hands-On Vehicle Demonstration Questions and Answers	Ernest Villanueva, Honda
5:00	End	

Please leave your evaluation form at the registration desk. Your feedback is very important to us. Thank you!
