

NHA Conference and Hydrogen Expo

March 30 - April 3, 2009 • Columbia, South Carolina

Celebrating 20 Years of Growing the Hydrogen Industry

The National Hydrogen Association announces the following activities in Hydrogen Safety, Codes and Standards, which are currently planned to be held in conjunction with the 2009 NHA Conference and Hydrogen Expo. These activities are still in the planning phases, and are provided here to enable participants to make appropriate travel plans. Further details will be provided at www.hydrogenconference.org.

Workshop: Tackling Challenges to Implementation of Hydrogen Energy Systems

Monday, March 30, 9am – 1pm

Join key stakeholders to understand the latest thinking and advances on three key topic areas:

- Leak Detection – Odorization and Sensors
- Separation Distances – gaseous and liquid hydrogen
- Indoor Operations and Fueling

Join us in picturesque, historic Columbia, the capital city of South Carolina, and a center for the state's hydrogen activities.

Other Safety, Codes & Standards Events

Hydrogen Industry Panel on Codes (HIPOC) In-Person Meeting

(Date/time to be announced)

This meeting is currently in the planning phase. It will be open to all interested stakeholders, and plans are to integrate the sessions within the conference program.

National Hydrogen and Fuel Cell Codes & Standards Coordinating Committee In-Person Meeting

Friday, April 3, 8am – 4 pm

Clemson University will host the National Hydrogen and Fuel Cell Codes and Standards Coordinating Committee meeting at the Clemson University International Center for Automotive Research (CU-ICAR) in Greenville, SC, on Friday, April 3, 2009.

Leave Columbia: 8 a.m.

Arrive Greenville: 10 a.m.

Meeting: 10:30-noon

Lunch: noon-1 p.m.

Tour of CU-ICAR facilities, test cells: 1-2 p.m.

Return to Columbia: 2 p.m., arriving at 4 p.m.

Permitting Workshop

(Date/time to be announced)

Plans are underway to hold a DOE Permitting Workshop in South Carolina in conjunction with the 2009 NHA Conference and Hydrogen Expo. Details have not been finalized.
